- Vendor Management
- Workforce Planning
- Labour Law Compliance
- Administration Management
- Employee Relations
- Grievance Handling

Manager Administration / Industrial Relations

Loads Limited | Feb 2026 – Present

- Manage overall administration, facilities, transport, housekeeping, and vendor management.
- Lead industrial relations activities in a unionized organization.
- Handle union negotiations, collective bargaining, grievance handling, and dispute resolution.
- Ensure compliance with Labour Laws and company policies.
- Build and maintain effective relationships with employees, union representatives, and management.
- Oversee administrative budgets, contracts, and statutory compliance.
- Support management in disciplinary matters, employee relations, and workplace investigations.
- Own grievance and dispute resolution — investigate, document, and close every case within defined timelines with legally defensible outcomes.
- Lead disciplinary proceedings end-to-end — draft charge sheets, conduct enquiries, and apply sanctions consistently per standing orders.
- Maintain IR protocols that reduce dispute frequency and protect the Company's position in any legal proceeding.
- Drive continuous improvement in administrative and IR processes.
